

DUDICK EUROPE

DUDICK, INC. has been a global leader in the coatings industry for over 48 years & we are excited to continue to offer our entire line of coatings in Europe as we have for the past 10 years.

Based outside of Dublin Ireland, newly incorporated DUDICK EUROPE'S coatings are all EU certified. All DUDICK EUROPE'S products are engineered and manufactured for the highest possible performance level. They pass the most rigorous tests for quality and long-term durability. If reliability and proven performance are needed then DUDICK EUROPE has the solution.
